YESTERDAY'S GAMES.

Washington 12, Mansfield 8.
New Castle 11, Fort Wayne 7.

TO-DAY'S GAMES.

None scheduled.

Wheeling won the concluding game of the series with Mansfield Monday afternoon through hard and consecutive hitting. Irwin was pounded for fifteen hits, with a total of twenty-two runs. Pardee, too, did not escape lightly, twelve hits being made off his delivery, with a total of sixteen bases. Tom Turner carried off the batting honors with a homer, a double and two singles. A feature of the game was the great work of Catcher Boyd, whose throwing to second was gilt-edged; in addition his two hits, a single and a two-bagger, were made at opportune times. Beecher carried off the batting honors for the visiting team, with two two-runners and a single.

The visitors went to bat first, and they opened up savagely on Pardee, Quinn and Beecher making two-baggers in succession. These and a single and errors by Taylor and Meany (the only misplays made by Wheeling in the entire game) gave the visitors three runs.

The locals promptly tied the score in their half of the first, on Meany's single, Taylor's out, Lyons' base on balls, and Turner's home run, which was a remarkably long drive; not only did it clear over the right field fence, but it also went over the street and into the Schumacher lot.

The Stogies assumed the lead in the third, when Rothmel's base on balls, Taylor's life on Keenan's error, Lyons hit for two bases, and singles by Turner and Congdon, materialized into three runs.

Another bunch of three came in the sixth on Pequinney's hit, Boyd's two-bagger, Rothmel's single and Taylor's hit.

In the seventh the visitors came within one of tying, scoring four runs on three singles, a double and a sacrifice. However, in their half of the seventh, the locals got their fourth bunch of three on Lyons' single, Turner's hit, Pequinney's two-bagger and Boyd's single.

REST.

"If I could only get a little rest." How many tired women say this! They are exhausted, depressed, discouraged. Even after sleeping they find themselves just as tired as before. Not a part of the body escapes from the hard aches and pains. You should have all impurities removed from your blood; and your nerves greatly strengthened.

Ayer's Sarsaparilla

brings rest and refreshing sleep. Your nervousness disappears and your great unrest passes away. Of course you know this is so, for you have heard all about Ayer's Sarsaparilla. Ask your doctor if it isn't the best Sarsaparilla in the world. Even your druggist will tell you "It's the oldest and the best."

\$1.00 a bottle. All druggists. "I am very confident that Ayer's Sarsaparilla saved my son from consumption and I am only too glad to add my testimony to it."
JOHN J. COVILL,
Jan. 15, 1899. Morrisville, N. Y.

Write the Doctor. If you have any complaint whatever and desire the best medical advice you can possibly receive, write to Doctor Ayer. You will receive a prompt reply, without cost. Address, Dr. J. C. Ayer, Lowell, Mass.

Cathedral vs. Linaly.

The Linsly Institute and Cathedral High School nines are to play at the Island Ball park to-morrow afternoon, and a large turn-out is anticipated. The Linsly battery will be Kilmyer and Handlan, and that for the Cathedral High School, O'Hare and Campbell.

The Linsly boys secured the grounds from President Peter Haley, of the Wheeling base ball club, and the promoters of the Alex. Garden benefit got them from the owners, the Wheeling Railway Company. As both teams are scheduled to play at the same hour there will be a conflict unless some arrangement is made to-day.

Cincy's Hard Luck.

CINCINNATI, O., May 28.—The grand stand of the Cincinnati base ball club, Western avenue and Findlay street, was almost totally destroyed by fire at an early hour this morning. Only a part of the stand was saved. The loss is about \$15,000. The Cincinnati and Boston game scheduled for this afternoon, will have to be postponed. As the Cincinnati team goes on a long

eastern trip Tuesday, the stands will be rebuilt by the time they return from the trip.

All Were Afraid.

CINCINNATI, O., May 28.—The thousands who gathered at Landonia, to see what promised to be the greatest derby of the year, met with bitter disappointment. The race was a farce. Lieut. Gibson was the only starter and simply had to gallop around the track to win the big prize.

To Play in Pittsburgh.

George A. Kaiser and William Detweiler, of Wheeling, and E. E. Workman, of Bellaire, well known as checker experts, will play in the Decoration Day checker tournament at Pittsburgh to-morrow.

Bellaire Happenings.

Matters of Interest in the Metropolis of Belmont County.

W. G. McClain and family are visiting friends at Washington, Pa.

Warden Darby, of the Ohio penitentiary, was in the city last evening.

Marshall Johnston and Officer Mahone went down to Sistersville yesterday.

The Buckeye Fishing Club will have an outing at Mozart park, on Saturday, and a big crowd is expected to go.

C. C. Marsh spent Sunday here and left yesterday for Cincinnati, where he will engage in the jewelry business.

Miss Marie Wright, daughter of Rev. Wright, a former minister here, is the only colored member of the graduating class this year.

Martin Cowen and family will occupy the L. S. Woodbridge property on Gravel hill, Mr. Cowen having purchased that elegant home.

The commencement will be held in the opera house, next Thursday evening, and the Ziegler-Howe orchestra, of Columbus, will furnish the music for the occasion.

There was a large crowd from here at the Wheeling base ball park Sunday afternoon, and they did not never get so much for their money before. One Bellaire man was among the few unfortunate who were arrested.

The captain of the company in which Harry Radabaugh was serving in the Philippines, when he took the fever and died, wrote the particulars of the young man's death to his father here, and the letter was just received yesterday.

The G. A. R. post, Woman's Relief Corps and other patriotic orders will observe Decoration Day to-morrow, according to the programme recently published. Flowers contributed for the purpose should be left at the city hall this evening.

The local board of examiners, viz., Dr. J. M. McDonald, James F. Anderson and Superintendent J. R. Anderson, will hold an examination at the Central school building on 10th day of June, for teachers who desire places in the city schools.

Martin McGinty has purchased the John Parks residence on North Belmont street, and will occupy it later as a home for his family. Mr. Parks, it is understood, has bought the Senator Scott property and will fix it up for a home for his family.

The Democratic congressional committee will meet at Martin's Ferry today, to decide whether they will hold a convention or let the delegates to the state convention name the national delegates. This question is one of the things that made the old-timers think there was "a man under the bed." It was slipping along too easy. Of course they'll hold a convention now.

Metals.

NEW YORK.—The main point of interest in the metal markets to-day was the sharp decline in the price of iron at Glasgow and Middleboro. In the former market prices fell off 2s and in Middleboro they declined 3s, closing prices at Glasgow were 6s 11d, and at Middleboro, 6s. White prices in the local market were unchanged the market was dull and weak. The local market for pig tin was dull, while London prices advanced 2.5s for spot and 2.1s for futures. Spot closed at 21s 10d and futures at 21s 10d. Silver delivery was quoted at 25s 10d and July at 25s 10d. Copper was at New York unchanged for spot, but futures were easy with June-August quoted at 16s 00d 12 1/2d. Lead was dull. Spelter ruled a shade easier. Following are the quotations: Copper, 16s 00d 12 1/2d; electric, 14s 1/2d; casting, 16s 00d 12 1/2d; lead, 25s 10d 1/2d; spelter, 34s 4 1/2d 3 1/2d; tin, 29s 00d 25s; tin plates, 34s 00d 34s 75; tin mill, 10s; iron, No. 1 northern, 22s 00d; No. 2 northern 19s 00d 21s. Pig iron warrants, No. 2, nominally 21s 00d.

Benwood.

News Notes From the Busy Marshall County Town.

John Cusick and wife have returned from Milwaukee.

The lower steel-mill will resume to-morrow, after the Saturday night stop.

The next Republican battle will be June 9, when the county ticket is to be named, and all the candidates are getting in the last licks these days.

The Benwood high school commencement will occur June 12, at the M. E. church. There is a class of six graduates, four girls and two boys, as follows: Jennie Edwards, Ethel Lacey, Alice Hoyt, Daisy Sheppard, Willie Leach and Willie Duggan.

The John J. Slippers may go to New Martinsville this week to cross bats with a fine of that town. Johnny Slippers will go to New Martinsville to-day to make the arrangements. His last little nine cleaned up the Louis Harbys Sunday, in a ten-inning game; score, 13 to 10.

The Young Men's Republican Club of Benwood will perfect its organization, at a meeting to be held Friday evening at the city hall. This club starts with thirty-five members, all nice set of boys, and pretty shortly this number will be doubled. The candidates have made liberal donations toward securing the club swell uniforms, and it promises to be the crack marching club in this section. Competent officers have been chosen, as follows: Captain, C. E. Carrigan; first lieutenant, Will Geraghty; second lieutenant, Will S. Powell; secretary-treasurer, Fred Geraghty. Atwell Yost will likely be made drum major.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected

kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.
